

# PROMOTING TEACHERS' PROFESSIONAL DEVELOPMENT AND INCLUSION THROUGH THE INTEGRATION OF EMERGING TECHNOLOGIES IN THE TEACHING OF CHILDREN WITH AUTISM

## Work Package 2: BeAUsome DUAL Pack

For **educators**: development of their digital skills and competences so that they can be better equipped to support children with ASD in their learning and social skills development.

For **children with ASD**: development of their social skills and communication.

### Social Competence Framework

provides an analysis on the learning outcomes to be achieved by children through the educational pack. Knowledge & understanding, skills and values are described based on the type of ASD (low functioning-high functioning).

### Professional Development Programme

aims at developing digital skills of educators and better equipping them for teaching social skills to children with ASD. It consists of teaching materials (PPTs), lesson plans and videos.

### Open Badges

evaluate knowledge gained through materials for educators in 10 assessment questions per topic.

### BeAUsome Educational Pack

consists of 90 VR Games scenarios and 60 supporting pack activities, suitable for children with different types of ASD (low functioning, medium-functioning and high functioning autism).

### BeAUsome Library with Resources

presents a collection of 100 helpful materials for educators and 100 resources for parents.
